

INVITATION

EUROPEAN CONGRESS FOR ENERGY EFFICIENCY AND DIGITAL TRANSITION IN BUILDINGS

Join our Open House to learn more about solutions for smart and cognitive buildings, social housings and homes of the future based on the Smart Buildings Alliance R2S (Ready2Services) specifications and on the EnOcean self-powered wireless standard. Reduce planning, installation, rework time and costs or retrofit without disruption and create the homes and buildings of future today.

THURSDAY 17th MAY 2018
